Plastics TRAINING

**A QUEENSLAND
GOVERNMENT
SUBSIDISED
COURSE**

"Plastics and Rubber Technical Education Centre"

COMPOSITES (CLM-2)

Plug/Pattern, and
Mould Construction

PARTEC Composites Training Centre, (BRISBANE)
Tuesday and Wednesday Evenings, 4:30pm to 7:30pm
May 3,4,10,11,17,18,24,25,31, June 1,7,8, 2016.

Cost: \$550

CLM-2

PLUG/PATTERN, and MOULD CONSTRUCTION

- Course Duration:** Twelve (12) classes - every Tuesday and Wednesday 4.30-7.30pm
Commencing: May 3, 2016.
Finishing: June 8, 2016.
- Who the course is for:** This course is for people in the composites industry. New entrants wanting to formalise and expand their on-the-job knowledge and experience would find this course very valuable, and may be used as a lead-in to a trade apprenticeship. Experience and/or qualifications in hand-layup is a desirable prerequisite.
- Group Size:** Limited to ten (10) students to ensure full participation and safe working.
- Course Objective:** On successful completion of this course you will have the knowledge and skills and practical experience in the production processes of producing a plug and a mould to meet product specification.
- Course Program:**
- Plan and construct the plug, choosing appropriate materials, and considering the structural and surface finish requirements.
 - Knowledge of a wide range of materials and techniques in mould design and construction to suit the required product output from the mould.
- Certificates:** The award will be a statement of Nationally Recognised Training competencies, for the Course "Plug/Pattern and Mould Construction".
- Course Co-ordinators:** Mark Halford at PARTEC.
- Course Fee:** **\$550** Course fee includes all lecture notes and materials. Nationally Recognised Training Units included with the course are subsidised by the Queensland Government. (GST is not applicable to Nationally Recognised Training).
- Venue:** PARTEC Institute, 1030 Cavendish Road, Mt. Gravatt (on the grounds of the Metropolitan South Institute of TAFE).
- Registration:** Online registrations can be completed by visiting:
