PLASTICS-ITC incorporating **PARTEC**

Plastics TRAINING

1030 Cavendish Road, Mount Gravatt,
P O Box 459 Mount Gravatt, Qld. 4122
Telephone (07) 3849 7878
Facsimile (07) 3849 7876

**A QUEENSLAND
GOVERNMENT
SUBSIDISED
COURSE**

"Plastics and Rubber Technical Education Centre"

COMPOSITES (CLM-2)

Plug/Pattern, and
Mould Construction

**PARTEC Composites Training Centre
TOWNSVILLE**

This course is operated by arrangement with our
Townsville Composites Training Consultant, Dean Margetts.
See over the page for further information.

Cost: \$550

CLM-2

PLUG/PATTERN, and MOULD CONSTRUCTION

- Course Duration:** The duration for this course is by arrangement with our Training Consultant. For example, this could be a short course of five (5) consecutive days of training, 8:30am to 4:30pm. The course structure is determined by the availability of both the students and trainer.
- Who the course is for:** This course is for people in the composites industry. New entrants wanting to formalise and expand their on-the-job knowledge and experience would find this course very valuable, and may be used as a lead-in to a trade apprenticeship. Experience and/or qualifications in hand-layup is a desirable prerequisite.
- Group Size:** Limited to six (6) students to ensure full participation and safe working.
- Course Objective:** On successful completion of this course you will have the knowledge and skills and practical experience in the production processes of producing a plug and a mould to meet product specification.
- Course Program:**
- Plan and construct the plug, choosing appropriate materials, and considering the structural and surface finish requirements.
 - Knowledge of a wide range of materials and techniques in mould design and construction to suit the required product output from the mould.
- Certificates:** The award will be a statement of Nationally Recognised Training competencies, for the Course “Plug/Pattern and Mould Construction”.
- Course Co-ordinators:** Dean Margetts at PARTEC.
- Course Fee:** **\$550** Course fee includes all lecture notes and materials. Nationally Recognised Training Units included with the course are subsidised by the Queensland Government. (GST is not applicable to Nationally Recognised Training).
- Venue:** PARTEC Composites Training Centre Townsville:
Unit 1 Civil Court, 5 Civil Road, Garbutt, QLD 4814.
- Registration:** Online expressions of interest can be completed by visiting:
www.partec.qld.edu.au
In the Plastic Trade Short Courses Menu
Composites (FRP) Courses
