AR-1 Automotive Plastic Trimming Repairs

A day course of training designed to teach you the skills required to repair damaged interior trim and upholstery, refinishing to the original standard. This course covers plastic, vinyl and leather materials, and refurbishing headlight lenses.

A TWO DAY COURSE

Tuesday and Wednesday, Feb 14 and 15,
July 11 & 12; or Sept 5 & 6 2017

Course Fee: \$540

AR-1

Automotive Plastic Trimming Repairs

Course Duration: A TWO DAY COURSE Tuesday and Wednesday on 2017 dates:
February - 14 & 15
July - 11 & 12
Sept 5 & 6

9:00am to 4:00pm each day.

Who is the Course for: The course is aimed primarily at people already employed in the Motor Repair or Resale Industries and those involved with Aircraft and Marine refitting and repair. Previous plastic repair experience is not essential.

Group Size: The course is limited to eight (8) students to ensure full participation and safe working conditions. (Students must have covered footwear).

Course Objective: At the conclusion of the course, each student will be able to repair damaged Automotive, Aircraft and Marine plastic components to a commercial standard.

Course Program: *The course is practical in nature with at least 80% workshop 'hands-on' content.* Instruction and practical exercises on the repair of damaged interior plastic and upholstery, to restore original appearance.

Course Co-ordinator: PARTEC (Qld) Pty Ltd

Lecturer: Ken Lethborg, Trimfix Supplies, Melbourne. PARTEC brings Ken to Queensland several times each year to assist with his expert knowledge and experience in automotive plastic repairs.

Course Venue: PARTEC Institute is located on the TAFE Brisbane campus, at 'P' Block, 1030 Cavendish Rd, Mt Gravatt, Qld 4122.

Course Fee: **\$540** Course fee includes all lecture notes and materials. National Training A light lunch is provided each day. (GST is not applicable to Nationally Recognised Training).

Certificates: This course includes Units of Competency from Nationally Recognised Training packages. Students receive a PARTEC Statement of Attainment upon successful completion of the course.

Registrations: Registrations can be completed online by visiting:
