"Plastics and Rubber Technical Education Centre"

## AR-2 Automotive Plastic Welding Repairs

A two day course of training, designed to teach you the skills to repair automotive rigid plastic component parts, and refinish to original standard, including refurbishing headlight lenses.

**A TWO DAY COURSE**  
Thursday and Friday, Feb 16 and 17,  
July 13 & 14 or Sept 7 & 8 2017

**Course Fee: \$540**

## AR-2 Automotive Plastic Welding Repairs

- Course Duration:** A TWO DAY COURSE Thursday and Friday on 2017 dates:  
February - 16 & 17  
July - 13 & 14  
Sept - 7 & 8  
9:00am to 4:00pm each day.
- Who is the Course for:** The 2 day course is aimed primarily at people already employed in the Motor Repair or Resale Industries and those involved with Aircraft and Marine refitting and repair. Previous plastic repair experience is not essential.
- Group Size:** The course is limited to eight (8) students to ensure full participation and safe working conditions. (Students must have covered footwear).
- Course Objective:** At the conclusion of the course, each student will be able to repair damaged Automotive, Aircraft and Marine plastic components to a commercial standard.
- Course Program:** *The course is practical in nature with at least 80% workshop 'hands-on' content. Welding and bonding repairs to rigid plastic components such as grilles, under-bonnet items and bumper repairs, filling and re-texturing surfaces where needed.*
- Course Co-ordinator:** PARTEC (Qld) Pty Ltd
- Lecturer:** Ken Lethborg, Trimfix Supplies, Melbourne. PARTEC brings Ken to Queensland several times each year to assist with his expert knowledge and experience in automotive plastic repairs.
- Course Venue:** PARTEC Institute is located at Unit 1 Civil Court, 5 Civil Road, Garbutt, QLD 4814.
- Course Fee:** **\$540** Course fee includes all lecture notes and materials. National Training A light lunch is provided each day. (GST is not applicable to Nationally Recognised Training).
- Certificates:** This course includes Units of Competency from Nationally Recognised Training packages. Students receive a PARTEC Statement of Attainment upon successful completion of the course.
- Registrations:** Registrations can be completed on-line by visiting:
