Plastics TRAINING

**A QUEENSLAND
GOVERNMENT
SUBSIDISED COURSE**

"Plastics and Rubber Technical Education Centre"

COMPOSITES (CLM-1)

Hand Lay-up, and
Mould Preparation

**PARTEC Composites Training Centre
TOWNSVILLE**

This course is operated by arrangement with our
Townsville Composites Training Consultant, Dean Margetts.
See over the page for further information.

Cost: \$480

CLM-1
HAND LAY-UP, MOULD PREPARATION
(Including Gelcoat Basics)

- Course Duration:** The duration for this course is by arrangement with our Training Consultant. For example, this could be a short course of four (4) consecutive days of training, 8:30am to 4:30pm. The course structure is determined by the availability of both the students and trainer.
- Who the course is for:** This course is for people making a start in the composites industry, and those wanting to formalise and expand their on-the-job knowledge and experience would find this course very valuable, and it may be used as a lead-in to the Trade Apprenticeship of Composites Technician.
- Group Size:** Limited to ten (10) students to ensure full participation and safe working. (Minimum of 6).
- Course Objective:** On successful completion of this course you will have the knowledge and skills and practical experience in the production processes of preparing moulds, basic gelcoating, and hand laminating techniques.
- Course Program:**
- Preparation of production mould surfaces with release systems.
 - Basic gelcoating technology and its application.
 - Efficient hand lay-up techniques, theory and practice for production situations.
 - De-moulding and finishing of moulded composites components
- Certificates:** The award will be a statement of Nationally Recognised Training competencies. "Hand Lay-up Techniques" and "Mould Preparation for Production".
- Course Coordinators:** Dean Margetts at PARTEC.
- Course Fee:** **\$480** Course fee also includes all lecture notes and materials. Nationally Recognised Training Units included with the course are subsidised by the Queensland Government. (GST is not applicable to Nationally Recognised Training).
- Venue:** PARTEC Composites Training Centre Townsville:
Unit 1 Civil Court, 5 Civil Road, Garbutt, QLD 4814.
- Registration:** Online expressions of interest can be completed by visiting:
www.partec.qld.edu.au
In the Plastic Trade Short Courses Menu
Composites (FRP) Courses
